³ The Account Holder acknowledges that a limited tax liability (for example, as a result of owning real estate in a country and the corresponding rental income) does not constitute a tax residency in this context.

⁴ The TIN is the identification number issued by the individual country for tax purposes and for the purpose of international data exchange. Provision of the TIN is only required if the respective country of residence issues these numbers for their citizens (e.g. Social Security Number in the US; for Account Holders with a domicile/tax domicile in the EU, the EU website provides information about TINs: https://ec.europa.eu/taxation_customs/tin/tinByCountry.html?locale=en).

⁵ Country of Residence does not require TIN collection.
