General provisions

VP Bank's focus markets

VP Bank's focus markets are Liechtenstein, Switzerland, Luxembourg, Singapore, British Virgin Islands, Germany, Cyprus, Hong Kong, Austria, United Arab Emirates, Indonesia, Denmark, Thailand, Latvia, Sweden, Malaysia, Ukraine, Taiwan, China, Estonia, Spain, Lithuania, Portugal and Norway.

Charging of investment fees

All fees are calculated at tiered rates, i.e. the rate shown applies to the total amount of assets or the total transaction value.

The periodic fees are calculated on the average value of the assets during the calculation period and are charged quarterly.

All assets are taken into account when calculating the average assets in the portfolio, regardless of their asset classes and under the inclusion of account balances (e.g. securities, physical positions, money market investments and current accounts).

The absolute value of an individual position is added up; these are not offset against each other, for example, with short positions or forward contracts.

Extraordinary clarifications

We reserve the right to levy a surcharge or supplemental fee for extraordinary expenses and costs (e.g. for information, copies, confirmations, breakdown for tax purposes, deputy safe deposit box openings, physical collection of coupons and security redemptions, compliance clarifications, debt collection, administrative and legal assistance proceedings, opening of business relationships with increased expenditure) of CHF 250 per hour. Your client advisor will be pleased to provide further information.
