Payment services

Charge options for foreign payments and payments in foreign currencies:

Sharing of charges (SHA): As the Client, you pay VP Bank's charges. The beneficiary bears all third-party charges (including those of their bank), which are deducted from the amount transferred. In the absence of any instruction to the contrary, this option will be applied. Only the expense option "SHA" (shared costs) is permitted for SEPA payments.

Charges borne by the client (OUR): The client pays all charges. This means that, in addition to VP Bank's own charges, you will also be liable for a fixed third-party charge covering all third-party charges billed to us.

Charges borne by the beneficiary (BEN): The beneficiary bears all charges relating to the transaction, including VP Bank's charges.

Fixed third-party charges for foreign payments and payments in foreign currencies (charge option OUR)

Payment orders by fax or by e-mail: A fax or e-mail agreement must be concluded with VP Bank for the execution of such orders.

Direct debit: With a direct debit, the payee instructs VP Bank to withdraw a certain amount from the bank account of the person who is liable to pay and credit it to the payee's own account. This procedure cannot take place unless the person who is liable to pay has signed a direct debit authorisation in favour of the payee. The payer has the right to contest any unauthorised debit to his account.

Standing order: A standing order is an instruction by the client to carry out recurring payments involving the same amount, payee and payment date (e.g. same day of the month). VP Bank's focus markets are Liechtenstein, Switzerland, Luxembourg, Singapore, British Virgin Islands, Germany, Cyprus, Hong Kong, Austria, United Arab Emirates, Indonesia, Denmark, Thailand, Latvia, Sweden, Malaysia, Ukraine, Taiwan, China, Estonia, Spain, Lithuania, Portugal and Norway.

Charging of investment fees

All fees are calculated at tiered rates, i.e. the rate shown applies to the total amount of assets or the total transaction value.

The periodic fees are calculated on the average value of the assets during the calculation period and are charged quarterly.

All assets are taken into account when calculating the average assets in the portfolio, regardless of their asset classes and under the inclusion of account balances (e.g. securities, physical positions, money market investments and current accounts).

The absolute value of an individual position is added up; these are not offset against each other, for example, with short positions or forward contracts.

VP Bank shares/bonds, medium-term notes, savings accounts and vested benefits assets are excluded from fee calculations.

Extraordinary clarifications

We reserve the right to levy a surcharge or supplemental fee for extraordinary expenses and costs (e.g. for information, copies, confirmations, breakdown for tax purposes, deputy safe deposit box openings, physical collection of coupons and security redemptions, compliance clarifications, debt collection, administrative and legal assistance proceedings, opening of business relationships with increased expenditure) of CHF 250 per hour. Your client advisor will be pleased to provide further information.
